## **Capability Statement: Project Management Services**

### **Core Competencies**

*Proven Project Leadership:* Our President, Travis J. Harper, brings over 15 years of experience leading diverse project teams in achieving success.

*Tailored Project Management:* We leverage established methodologies like Agile and Waterfall, adapting to your specific project needs.

*Veteran-Led Solutions for Comprehensive Business Support:* We provide a unique blend of executive acumen, military and government contracting experience, staffing services, administrative management, general management consulting, other management consulting, human resources consulting, and professional employer organizations.

*Expert Planning & Execution:* We develop detailed work plans, manage timelines, and meticulously oversee project execution.

*Risk Management & Proactive Solutions:* We proactively identify and mitigate risks, implementing effective solutions to ensure project success.

*Strong Communication & Collaboration:* We foster open communication with all stakeholders, keeping everyone aligned throughout the project lifecycle.

*Budget Management & Cost Control:* We create and maintain accurate project budgets, deliver cost-saving strategies, and provide regular reports.

### **Past Performance**

Mitsubishi Electric Power Products Inc. (Project Manager) - May 2015 - Present

- Managed the \$22M NYCT R160 Overhaul Project, ensuring on-time, on-budget completion.
- Implemented continuous improvement processes, reducing inventory value by \$2 million.
- Led a diverse team, fostering collaboration and achieving project goals.

Ericsson (Contract-Project Scheduler) - March 2013 - January 2015

- Developed and maintained project schedules, optimizing resource allocation and timely completion.
- Negotiated with suppliers to secure resources at optimal costs.
- Provided exceptional customer service, resolving issues and exceeding expectations.

U.S. Navy (Program Manager) - February 2011 - August 2011

- Developed and implemented effective records management policies, streamlining document handling.
- Led the program team in achieving critical objectives within established timelines.

### **Differentiators**

*Experienced Leadership:* Our President's proven track record ensures successful project delivery across various industries.

*Client-Centric Approach:* We prioritize understanding your needs and tailoring our approach to achieve your desired outcomes.

*Commitment to Quality:* We deliver high-quality project management services, consistently exceeding expectations.

*Results-Oriented:* We are focused on achieving measurable results that contribute to your overall business success.

*Let Hyre Harper Co. be your trusted partner for successful project delivery. Contact us today to discuss your specific needs.*
