Capability Statement: Staffing Services

Core Competencies

National Staffing Expertise: We specialize in placing qualified healthcare, IT, sales, management and executive leadership professionals across all specialties and care settings.
Proven Track Record: Over a decade of experience successfully recruiting for top healthcare institutions, including 11 of the nation's 15 largest health systems.

Veteran-Led Solutions for Comprehensive Business Support: We provide a unique blend of executive acumen, military and government contracting experience, and a team of former contracting specialists allows it to excel in administrative management, general management consulting, other management consulting and human resources consulting.

Streamlined Recruitment Process: We source, screen, interview, and onboard candidates efficiently, saving you time and resources.

Client-Centric Approach: We build strong partnerships to understand your specific needs and deliver exceptional service.

Past Performance

Excite Health Partners - Temporary Hospital Staffing Services (Mar 2021 – Mar 2023)

- Vice President of Clinical, Health Information Management (HIM), Cancer Tumor Registry (CTR), Clinical Documentation Improvements (CDI), Health Information Technology (HIT). Overseeing digital transformation business changes.

Harmony Healthcare/Addison Group - Human Capital Management and Consulting Solutions (May 2012 - Mar 2021)

- Led and coached a recruitment team to achieve top revenue producer status within the company. Proven results in minimizing risk and maximizing profits.
- Successfully staffed positions in CTR, HIM, CDI, Medical Coding/Auditing, Revenue Cycle Management, and more.
- Placed consultants with leading healthcare providers nationwide, including 8 of the 15 largest CPA firms in the U.S. and the Federal Government.

Maxim Healthcare Staffing (Jan 2008 - May 2012)

- Managed national recruitment of healthcare professionals for travel assignments.
- Developed and executed successful recruiting strategies to attract top talent.
- Built and maintained strong relationships with healthcare professionals and organizations.
- Executed new contracts with Veterans Affairs hospitals and other healthcare facilities.

Differentiators

Staffing Expertise: Our team possesses deep talent acquisition capabilities, leveraging innovative strategies and technology to source, screen and select top candidates. They exhibit strong HR acumen in areas like employee relations, performance management and regulatory compliance, and are adept at project management, including organizational, critical thinking and communication skills.

National Network: We have a vast network of qualified healthcare professionals nationwide, ensuring we can meet your specific staffing needs.

Compliance-Focused: We maintain strict adherence to all regulatory requirements for healthcare staffing.

Commitment to Quality: We provide ongoing support to ensure successful placements and long-term satisfaction for both healthcare professionals and our clients.

Health Hyre Co. is your trusted partner for exceptional healthcare staffing solutions.
